PRODUCTION AND CONSIGNMENT AUCTION NOVEMBER 1, 2014 ★ 11 AM

WELCOME

CBMF Red Hot Chili Pepper consigned by Ted Heinrich in 2013 was 2014 Grand Champion Mare at Morgan Masterpiece for Norm and Suzanne Hammond.

Photo: Courtney Church Photography

Doc and I feel that this year's auction has a diverse selection of horses in age, discipline, size, and color. We have quality horses and very respectable consignors in the Morgan breed. We are happy to welcome new consignors Lynn and Kathleen Peebles, Melissa Lambrecht and clients, Norman and Suzanne Hammonds, and Jonalyn Gwinup and client. We appreciate the support from past consignors of Arcola Farm, Rustic View Farm, Wingait Farm, Bonnie Anderson, Oldfield Morgans, Dan Yoder, Tripoly Morgan Farm, and of course HyLee Farm.

The staff at HyLee Farm and the Bill and Terry Addis crew I feel have helped make this sale a connection for future contacts.

Last year I had one consignor let me know that it was so nice to have time to visit with people at the auction about her breeding program and that it has been very helpful in the marketing of her horses at home. We try to make it so that the seller has all the time to spend marketing their horse, with the Friday night preview being a great time for prospective buyers to try riding a horse or inquire more information.

Not much more can be said for someone who was just going to have one auction in 2008 and now six years later to still be doing it. It cannot be done without the incredible staff I have at HyLee Farm. Melanie Jelle, Tasha Smazinski, Lavern Stampfli, Meg and Emma Blankschein, have been here from the beginning.

Again, the one thing I am pleased about the auction is the number of new or renewed Morgan owners who have resulted from the purchases of these fine Morgans. It is important to the breed that this happens. We have sold horses here who are still winning in the show ring, have taken on new occupations such as carriage driving, have given a youth a horse to start with, one horse is a high end cross country competitor, and others are producing great offspring and placing high in the Gala competition at the Jubilee.

Thank you for consigning and also for coming to purchase a horse. You all are what makes this breed continue to grow.

HyLee's Howaboutthat is the perfect horse for Judy Gauger. She came to purchase a horse in 2014 that she could go to horse shows, do everything herself. He has proven to be a winner for her!

#165042

Foaled: 2004 ★ **Sex:** Gelding ★ **Color:** Bay
Consignor: HyLee Farm

Photo: Casey McBride

“Bam Bam” is a handsome fellow who is ready for the owner who wants to perfect their riding skills and loves to trail ride. “Bam” has been used in our lesson program and has had a number of riders who have become more advanced in their abilities through the instructor’s direction and Bam’s sensitivity to aids. He was shown saddle seat but prefers hunt and loves to cover the trails. He is unflappable to rustling leaves, deer, and wild turkeys. He is happy riding along or with a companion rider. He has a nice trot to sit and a very comfortable canter. He has been in the show ring, but it isn’t his favorite or most comfortable arena to be in.

#0176007

Foaled: 2006 ★ **Sex:** Mare ★ **Color:** Bay
Consignor: Ron and Kirsten Johnson

Gossip Girl is by the grand stallion Serenity Masterpiece, and out of the Cedar Creek Harlequin mare AFF Savannah. She is a truly royally bred mare. Her first foal was a filly by Town Assets called "Patrick's Girl." This was a special mare as she won the World Championship 3-year-old Hunter Pleasure at the 2013 Grand Nationals with Kathy Peebles of Waterford Farm. We have had two stretchy bay foals from her since and decided this year to breed her back to this golden cross so she could have another foal by the stallion Town Assets. The foal she is carrying is sure to be a big, beautiful, and talented foal for her next owner. Gossip Girl is at a prime age of 8 years old and that means she has plenty of fertile years to produce more wonderful babies. She has been easy to get in foal, very healthy, easy to handle, and is an exceptional mother. This mare gets along with other horses well, and has been an easy keeper in the field. You will find that this mare will be one of the sweetest to be around, and will love attention and people of all ages. If you want a well-bred broodmare who is kind and easy to manage, Gossip Girl is the one!

RUSH RIVER CANTATA
#RAF

Foaled: 2009 ★ **Sex:** Mare ★ **Color:** Chestnut
Consignor: Bonita J. Anderson

Rush River Cantata, aka “Connie,” was first shown as a weanling in 2009 at the North Star Breeder’s Sweepstakes. Connie is good with the farrier and vet, stands well in cross ties, is easy to clip, and loads well on the trailer. She has been started under saddle but does not drive. This summer she spent 60 days in training with Robin Secrist adapting to the life of a trail horse. She climbed the huge bluffs along Lake Pepin, learned how to go through water and over obstacles, and how to stand patiently when tied. Connie would be suitable for a confident youth rider to join her on the trails. At time of sale she will have an additional 45 days of work under saddle.

Connie is royally bred. Her top line traces back to Stonecrot Masquerade, and her dam’s grandsire was the great stallion, The Buckeye. She inherits her beauty from her sire, Century Nightmusic and his dam Appleton Baroness. Her conformation is correct. She has the potential to make an excellent broodmare.

This filly comes from a serious line of champions! Sired by Mizrahi – not enough adjectives to describe what he has done – and out of HyLee's Tearjerker, who has had two champions by Hylee's Galaxy Seven. Her grandam, HyLee's Teardrop, produced HyLee's Dan Right, HyLee's Blood Sweat and Tears, HyLee's Showtime, HyLee's Hill Street Blues, HyLee's Lock N' Load, HyLee's The Biggest Bang, and HyLee's Zerelda James, this filly will hit the jackpot for her new owner. Downsizing forces me to sell this big, strong, talented filly. So with her will go a part of my heart. She should mature about 15:2 at least and if someone takes his or her time she will garner a World Championship in the future. I predict English pleasure early on and possible park when she has fully matured. Hence she is named for all people in the horse world; we're all "optimyztic!"

HyLee's Bushmill or "Whiskey" per his barn name is a 4-year-old gelding who stands close to 16 hands. He looks a lot like his grandfather, HVK Fancy Dan, with a touch of Noble Flaire through his sire, HyLee's Rare Flaire. He is a very handsome guy, full bodied with a great length of leg, a pretty head and eye, and cute little ears. He has a nice balanced way of moving and with his size is able to really cover ground when in motion.

Whiskey was shown successfully in hand as a yearling, winning the Yearling Colt Open and Futurity class at North Star in 2011. The last couple of years he has been in training to prepare him for a continued show career. We started him slowly because he continued to grow...and grow! As a 3-year-old he was broke to drive and has now been started under saddle. He will have 45 days of training under saddle at time of the sale. I believe he will excel as a very competitive hunter, western pleasure, or western dressage prospect.

This stretchy mare is by the World Champion producer Man in Motion, and by the Serenity Masterpiece mare, Gossip Girl. Arcola's Watch This has currently been worked in long lines and is green broke to drive. She is a nice sized mare for a 2-year-old and has a long neck and mature build that should serve her well as she moves through her next years in training. We think she will train well with her willing nature and could be a nice broodmare for those who desire these long desired bloodlines in their barn. Consignors: Norman and Suzanne Hammonds

Smaland Pina Colada is a 2004 cremello mare. She exhibits classic Morgan type with nice refinement and correct structure. Her sire is a western working bred horse and her dam is the lovely Smaland Joyful Joyful, sired by Sir's Sunny, a well-respected palomino stallion with several crosses going back to War Hawk. She is a half-sister to our winning carriage driving stallion Red Rose Moonshine.

"Peanut" was bred to be a broodmare, so her training was not a priority. She has been hitched to drive five times and by sale date she will have had 45 days under saddle. She will be a nice western or hunt, family, 4-H, and trail horse. She stands at the gate waiting for attention and is easy to handle and work with. She is UTD on vaccinations, deworming, and hoof care.

For those interested in color breeding, Pina Colada is a double dilution crème. This means she will produce the palomino color 100% of the time when bred to a chestnut, and will produce a buckskin, palomino or smokey black when bred to a bay.

Driving was not his strength but he did very well under saddle. Opie was shown successfully under saddle in English Pleasure classes at the North Star Morgan Americana in 2011, and in Hunter Pleasure classes at Morgan Masterpiece in 2013. He did well in his show career, and was often in the ribbons. His true calling, and what he likes and does the best however, is the life of a trail horse. He is alert on the trail, walks right out, has no problem with obstacles and water, and generally just has an all around good time with his rider. Foaled: 2009 ★ **Sex:** Gelding ★ **Color:** Bay
Consignor: Wendy Meyer

Casnova is a 5-year-old gelding who is well broke to saddle. We had hoped to show him but time restraints have made it difficult to get him show ring ready, therefore we are offering this beautiful gelding, sired by World Champion Mucho Uno, available for this sale. Out of our Whispering Whammunion daughter, Whispering Wait and See, he is bred to be a performance horse. He has been out on the trails this past summer and has been ridden by many different riders. Everyone loves him! Tune him up this winter and he will be ready for the show ring this spring, or simply hit the trails with him.

★ **AERIE MEADOW HIGH ROLLER** ★
#184611

Foaled: 2011 ★ **Sex:** Gelding ★ **Color:** Bay
Consignors: Ron and Kirsten Johnson

Photo: Courtney Church Photography

Aerie Meadow High Roller, or Roger as we call him, is a beautiful 3-year-old bay gelding by the multi-World Champion SYP High Definition and out of the beautiful mare, Mantic Angelina. This colt has wonderful qualities already noticeable at his young age. Physically he has refined features, good conformation, and that beautiful Morgan head and expressive eye we really like to see. He has been a very easy horse to train. Roger was shown in hand by an amateur as a yearling, he took to driving as a 2-year-old like a champ, and has been riding this year in a similar easy-going manner. We learned right away that he was going to be an easy horse to bridle and motion would not be a problem for him. This is evident when you watch him in the ring. This year Roger has been ridden in the English pleasure division in two shows with several blues to his name. He clearly has natural motion and loves to go to work every day. Another quality this gelding possesses is that he has an abundance of energy and forward motion. He goes and goes, whether he is being driven or ridden, and he does both jobs very well. We think he will only get stronger as he matures.

Stunning Minion Millennium daughter out of World Champion RBC Leah. Margaret is extremely talented and lady-like. This mare has the proven potential to bring any amateur, junior exhibitor, and even the World Class walk trotter to the winner's circle in the pleasure saddle or harness divisions. She loves to drive and trail ride. This mare is extremely safe and in your pocket. My pregnancy forces me to downsize. I feel this mare will be a great asset to any show farm, family farm, or breeding facility. She truly has it all! Email for more information and pictures.

“Simon” is Mr. Personality first off. We then add his Morgan type and good conformation, plus his athletic ability. He has had four months with Dan Lynch so he is soft, supple, and knows his leg aids well. He can be ridden hunt seat but would be a dynamite fancy Cowboy Dressage mount. If you check out his pictures on the hyleefarm.com website (2014 Auction) you can see how versatile he is. His previous owner also started him in harness.

HYLEE'S AT LAST
#0161178

Foaled: 2003 ★ **Sex:** Mare ★ **Color:** Bay
Consignor: HyLee Farm

Photo: Debbie

It is only through downsizing that At Last is offered for sale. She is the last producing daughter of Jane Steffenhagen's program. As a young horse she was unbeatable in hand garnering several Grand Championships beginning as a yearling. I always asked Mom, "when do you want us to start her in harness or saddle?" To which she commented "She doesn't need to do anymore than show in hand to make me happy and she will be a great broodmare." So as the grand matron of HyLee predicted she has proven to be a very good producer and she still has that tremendous trot with extreme hocks and up headed way of going that pleased my mother. She has had two colts by HyLee's Rare Flaire and they are both very athletic. HyLee's Pin Oak Dude was the winner of the North Star Yearling Sweepstakes and Yearling Colt Futurity in 2013. Her foal this year is a filly sired by The Biggest Bang (Born to Boogie x HyLee's Teardrop). This filly reflects strongly her sire's side and has her mother's trot. I see this mare's offspring always having her talent and hocks and up headedness and spark. I feel strongly after breeding her that she will allow the stallion to stamp the foal and also give to the good things the stallion offers. She is in foal to ZZ Top for 2015. She has always bred easily, doesn't need to be on any hormones, foals easily, and is good with her foals. I would wish the new owner to visit with me about her before she leaves the farm.

ABSENTEE BIDS:

If you are unable to attend the auction in person, and wish to place bids, you may give Addis Equine Auctions your instructions to bid on your behalf. Our representatives will then try to purchase the lot or lots of your choice for the lowest price possible, and never for more than the top amount indicated by you. This service is free and confidential. **PLEASE NOTE:** Addis Equine Auctions offers this service as a convenience to clients who are unable to attend the auction and, although we will make every effort, Addis Equine Auctions will not be responsible for error or failure to execute bids.

PLACING ABSENTEE BIDS:

To place bids, please use the absentee bid form provided in this catalog. Be sure to accurately record the names and descriptions and the top price you are willing to pay for each lot. “Buy” or unlimited bids will not be accepted. Always indicate a “top limit”—the amount to which you would bid if you were attending the auction yourself.

Alternative bids should be indicated by using the word “OR” between names. Then if your bid on an early lot is successful, we will not continue to bid on other lots for you. Or, if your early bids are unsuccessful, we will continue to execute bids for alternative lots until a bid is successful. Bids must always be placed in the same order as the lot numbers appear in the catalog.

Please place your bids as early as possible. In the event of identical bids, the earliest received will take precedence.

TELEPHONE BIDS:

Successful bidders will be notified. Please refer to the “Terms and Conditions of Sale” for payment and delivery requirements applicable to all successful bidders.

BUYER’S PAYMENTS:

All absentee bids and telephone bids will require a signed check made payable to HyLee Farm or complete credit card information in our office prior to the sale.
